August 4, 2022

HANGZHOU, China, August 4, 2022 /PRNewswire/ -- June saw the launch of *NARAKA: BLADEPOINT*, the action-packed 60-person battle royale, on Xbox Series X|S and with Xbox Game Pass for console and PC. In the first two weeks of the title being available on the console, an impressive one million new players have jumped in the game, known for its fast-paced, agile, melee combat.

Since the game was released on PC last year, a growing community has sprung up around *NARAKA* with the team providing constant updates with new characters, weapons, and game modes for players to continually experience the game in fresh and exciting ways.
