

## **Destiny: Rising Official Announcement**

October 14, 2024 at 11:29 AM EDT

GUANGZHOU, China – (October 14, 2024) – NetEase Games is thrilled to announce *Destiny: Rising*, a new epic free-to-play mobile sci-fi RPG shooter featuring a variety of playable hero characters, a shared world, and an abundance of game modes, all set within the rich tapestry of the *Destiny* Universe. Developed and published by NetEase Games, and officially licensed by Bungie, creators of the *Destiny* franchise, *Destiny: Rising* delivers a brand-new adventure set in an alternate *Destiny* timeline, exploring a narrative in the post-Dark Age era. Featuring a diverse roster of characters, each with unique abilities and stories, *Destiny: Rising* offers players dynamic and challenging single, co-op, and competitive multiplayer gameplay, including beloved game modes familiar to *Destiny* players, and all-new modes that introduce new ways to play *Destiny*.

"With *Destiny: Rising*, NetEase Games is honored to partner with Bungie to deliver a *Destiny*-caliber experience to mobile devices," said Ethan Wang, Senior Vice President, NetEase, Inc. "*Destiny* is an incredible franchise with a passionate and dedicated global fanbase. As huge fans ourselves, we are humbled and thrilled for the opportunity to bring gamers an action-packed RPG shooter set within the *Destiny* Universe."

"For over a decade, we have built this universe to contain many unique and wonderful stories, and we are excited to see mobile gamers be able to experience this new take on the *Destiny* universe from the creative team at NetEase," said Terry Redfield, Creative Lead at Bungie.

NetEase Games has released an exclusive digital-direct community showcase on YouTube, offering an in-depth exploration of *Destiny: Rising*'s diverse gameplay features and development team insights. Access the digital direct video via the following link: [<LINK>](#)

Additionally, players can now register for a limited access closed alpha test set for November by visiting *Destiny: Rising*'s homepage: [www.playdestinyrising.com](http://www.playdestinyrising.com)

As a genesis of new possibilities in the *Destiny* Universe, *Destiny: Rising* delves into an unseen era where burgeoning hope blooms once again after a terrifying collapse of civilization and the dangers of the resulting Dark Age. With the help of legendary Iron Lords, humanity has broken free the shackles of tyranny and began to rally together against the alien forces intent on its extinction. Amidst the chaos of this early age for The City, a new generation of Lightbearers, resurrected by mysterious entities known as Ghosts, set out to restore humanity's prominence and secure its future.

*Destiny: Rising* will feature the following:

#### **An Iconic Sci-fi FPS Coming to Mobile**

Experience iconic best-in-class sci-fi shooting action at your fingertips! Choose between the highly immersive first-person view or a new fully third-person action view and play with touchscreen or compatible controller precision.
