NetEase.com To Report Second Quarter 2003 Financial Results On July 28, 2003

Beijing, July 22, 2003

NetEase.com, Inc. (Nasdaq: NTES), a leading Internet provider in China, announced today that it will report its Second Quarter 2003 financial results on July 28, 2003 (Eastern Time).

The earnings announcement will take place at 7:30 pm Eastern Time on Monday, July 28, 2003 (Beijing/Hong Kong Time: 7:30 am, July 29, 2003). Ted Sun, Acting CEO, and Denny Lee, CFO, will be on the call to discuss the quarterly results and highlights, and answer questions.

This call is being webcast by CCBN and can be accessed at NetEase's corporate web site at <http://corp.netease.com>.

The webcast is also being distributed over CCBN's Investor Distribution Network to both institutional and individual investors. Individual investors can listen to the call through CCBN's individual investor center at www.companyboardroom.com or by visiting any of the investor sites in CCBN's Individual Investor Network. Institutional investors can access the call via CCBN's password-protected event management site, StreetEvents (www.streetevents.com).

A replay of the call will be available by dialing (719) 457-0820, with confirmation code 454502. The replay will be available from 9:30 pm Eastern Time on July 28, 2003 until 9:30 pm Eastern Time on August 8, 2003.

About NetEase

NetEase.com, Inc. is a leading China-based Internet technology company that pioneered the development of applications, services and other technologies for the Internet in China. The NetEase Web sites, operated by a company affiliate, organize and provide access to 18 content channels through distribution arrangements with more than one hundred international and domestic content providers. In addition, the NetEase Web sites offer a variety of products and services, including Instant Messaging (Popo), Dating, Love, Alumni and Personal Home Page. These products and services enable users to communicate about interests and areas of expertise.

The sites also offer online interactive community services through community forums.

NetEase also offers short-messaging services, online multi-player games and e-mail services, as well as online mall technology services that provide opportunities for e-commerce and traditional businesses to establish an online e-commerce presence on the NetEase Web sites.
