NetEase Announces Pricing of Global Offering

HANGZHOU, China — June 7, 2020 — NetEase, Inc. (NASDAQ: NTESE) (“NetEase” or “the Company”) today announced the pricing of the Global Offering of 171,480,000 new ordinary shares (the “Offer Shares” or “Shares”) which comprises an International Offering and a Hong Kong Public Offering. The final offer price for both the International Offering and the Hong Kong Public Offering (the “Offer Price”) has been set at HK\$123 per Share. Based on the ratio of 25 ordinary shares per Nasdaq-listed American depository share (“ADS”), the Offer Price translates to approximately US\$397 per ADS. The Company has set the abovementioned offer price by taking into consideration, among other factors, the closing price of the ADSs on June 4, 2020 (the latest trading day before pricing). Subject to approval from The Stock Exchange of Hong Kong Limited (the “SEHK”), the Shares are expected to begin trading on the Main Board of the SEHK on June 11, 2020 under the stock code “9999.” The Global Offering is expected to close on the same day, subject to customary closing conditions.

The gross proceeds to the Company from the Global Offering, before deducting underwriting fees and the offering expenses, are expected to be approximately HK\$21,092 million. In addition, the Company has granted the international underwriters an over-allotment option, exercisable from June 5, 2020 until 30 days thereafter, to require the Company to issue up to an additional 25,722,000 new Shares at the Offer Price.

The Company plans to use the net proceeds from the Offering for globalization strategies and opportunities, fueling continued pursuit of innovation, and general corporate purposes.

CICC, Credit Suisse and J.P. Morgan (in alphabetical order) are the joint sponsors and joint global coordinators for the proposed Offering.

The International Offering is being made only by means of a prospectus supplement and the accompanying prospectus included in an automatic shelf registration statement on Form F-3 filed with the U.S. Securities and Exchange Commission (the “SEC”) on May 29, 2020, which automatically became effective upon filing. The registration statement on Form F-3 and the preliminary prospectus supplement dated June 1, 2020 are available at the SEC website at: <http://www.sec.gov>. The final prospectus supplement will be filed with the SEC and will be available on the SEC’s website at: <http://www.sec.gov>.
